Chapter 19–Epilogue

Chapter 19–Epilogue: Charting Character Development

Early in *Tuck Everlasting*, Winnie Foster is sheltered and timid. By the end of the book, however, she has changed a great deal.

Under the first heading, list the things that Winnie says or does in this section of the novel that the Winnie of earlier chapters would probably not have done.

For each item in the first column, write a word or phrase in the second column that describes the kind of person who would do such a thing; in other words, tell what character traits Winnie is showing.

WINNIE’S WORDS OR ACTIONS	CHARACTER TRAIT

Look back at the list you made. What do you think Winnie has learned about herself in the course of the novel?

VOCABULARY DEVELOPMENT: ANALYZING PREFIXES

A **prefix** is a word part added to the beginning of a word or root that changes its meaning. Re-read the words *exultant* (p. 125), *unwittingly* (p. 128), and *revulsion* (p. 132) in their contexts in the book. Then, determine each word's prefix by looking up the word in a dictionary. The prefix should be listed as part of the word's origin.
